VOLUME XI. NO. 48.

Through the agument heats no'to toiled, Through the actuan weather We have also passed, sweet wife, Nearer to life's winter, wife,
We are drawing nearer—
Memories of the binesod spring
throwing dearer, dearer. Mearer to Life's Winter.

Fluwers are fewer than at first, And the way grows dreaser; For unto life's wither, wife, Tims was, holdel were, well as feet, lighter, I remounter; Applie locks of gold are turned To effect, this November. Wo are drawing nearer.

Neary to life's end, evoet wife, We are drawing measer; The last milensums on the way To one right grows cleaver.

Heights we've aught, we failed to climb, Pritts we've failed to gether: But what matter, since we've still Jesus and such other?

A Fresh Picture of Yosemite.

A. P. Richardson writes to the New York Tillune of his trip to Yosemito Valley, under hie of August 18th, ns follows:

the of Augent Eliti, as follows:

Alter douling on the wild of the valley we gast one clear risks, a mile distant. In April and May when Filling a most week there does a deep tor reak they see set the test comprehensive view, ory, as melting source week? The streams to a deep tor reak they are great! The streams to a deep tor reak they are great! The streams to a deep tor reak they are great! They do have the streams a humber. They do have reaked a firink to a skeleton; and they would seem miraculous, as cluster of grapos weighing a dozen pounds a skeleton of grapos weighing a dozen pounds a skeleton of grapos weighing a dozen pounds and possible doubt their own sanity in Now North Mayers treat; mountered the streams of grapos weighing a dozen pounds and possible doubt their own sanity in Now North Mayers treat; mountered the stream of the bolides was kerfall in the world. This k of a characte, and the streams of the world. This k of a dozen pounds the bolides was kerfall in the world. This k of a dozen pound of the world. This k of a dozen pound of the world. This k of a dozen pound of the world. This k of a dozen pound of the world with the sublimer than the spiritude bolid. The stream and the pople doubt their own sanity in Now world a first the world. This k of a dozen pound of the world. This k of a dozen pound of the world. This k of a dozen pound of the world will be world. The valley is 4,000 feet. I was substant the substantial to the bigh place. The first was a world was bighter than Nigara. Twelve Banks IIII death of the North of the bigh place. The first was a world was been done for the world. The world was the population of the bigh place than the contracts.

There is a negro which the worth at least the irreligious such the she was the irreligious such the say of the series and the series of the series and the safety of which the worth at least the irreligious such the sheather of the irreligious such the sheather of the safety of man mer be charify of woman and the safety of man mer be charify of woman and the safety of man mer be charify of woman of the safety of man mer be charify at a say article of neutrage in order to be relayed to use article of commerce, on the newton believe to the highest bidder; the safety to be relayed to such a say article of commerce, on the newton believe to the highest bidder; the safety of the true to the safety which the seviet of the true bide negroe which to the safety of the true the safety or the safety of the relative to the true by the safety or the safety of the relative the safety and the safety of the relative the same that the safety and the safety of the relative things of the safety of th great obligatory minion field in the south, which the north meal speaking fill. The future treatment of the negrot is indeed the test of ure possible future recognition of and frateroxination with the southern thurth. I you the point we are not to be put off, incominated, or excluded; especially under not pretend that "the south

whose infringe the southert. Like had obgergetional and Predyterian bodies, or the Old and New School Predyterian, the two Machdian Churches must fraternally concede to each other the right to swaps each territory at they repetitely please. Though we think, a affixed in our last Quarterly, that an immediate union of the two churches is impossible, still the two districts of ministers are ministers. And an each appear and a present conferences, make such anisolde arrangements, as that the two oburches may cooperate rather than astogonic, and go waits a rast answert of supion force in their enabelishing shorts. And in well very we true; that the sollinion will be an algusted, and the harmonia we will so attempthen, as to insugarate in the most of participates of the most operation and the form would be superficient in the most of participates. but to be, received with a welcome and a fieldproof. And we do most seriosally and firmly
deprecate my and multi-first destinations;
it exists, in our own aburch. If there be in the
south my unexyred ground, or my meglected
material, we have a perfect right to possess and
town in it to (hirti, and no man has a right to
folded us. If there be a people in the would
we not prefer as northern uninistry it has a right to
folded us. If there be a people in the would
who prefer a northern uninistry it has a right to
fere uninistriction. Our hosting of the youth,
therefore, will put themedres and y in the wrong
if they attempt to augross a territory, and say
that my other church has not the same right to
cetablish pastorates and to inaugerate symodes and
conferences there that they themedres possess.
The theorem 1. One recover 1944 assumed to
draw be commant to reclusiveled driving the draw by compact ah occlosizatical dividing line; and with what result? If our northern history of reading to georrest, the charch, South, was the first to cross the line, and with physical violence. for such a project, we admit that he deserves to be received with a welcome and a God.

And we do most sernestly and firmly
